- C. A 1 hour and 45 minute time limit on all games. No new inning may begin after this time.
- D. There will be one minute to run on and off the field between innings. This is to encourage players to hustle and allow for more playing time.

- F. Each player must play a minimum of 2 complete innings.
- G. 8 runs maximum scored in one inning.

- I. With the exception of the rules listed on this sheet all other IHSA rules apply.

2. EQUIPMENT AND FIELD:

If all players have not played a minimum of two complete innings at the end of the 4th inning a **forfeit** will be recorded. If a player is substituted at the end of the first inning that player must re-enter the line up prior to the start of the 4th inning in order to play their minimum of two innings. (Note; score keepers should meet at the end of the 2nd and 3rd innings to ensure all players have been properly entered into the game.) The re-entry rule may be used to re-enter players after the 4th inning.
- C. The umpire will determine if the rule has been broken and assess the penalty.
Note: the exception to the 2 inning minimum rule would be an injured or sick player.

- D. At the beginning of the game the coaches are allowed to agree whether or not they want to bat the entire roster. Both Coaches have to be in agreement for this to be allowed. The player must still play the field per rules under Offense #B.
